

CALL FOR PAPERS

EARLI SIG 6 & 7 CONFERENCE

AUGUST 30TH TO SEPTEMBER 1ST 2010 - ULM UNIVERSITY, GERMANY

Deadline for submissions: April 15th 2010

EARLI SIG 6 (Instructional Design) in cooperation with SIG 7 (Learning and Instruction with Computers) announces the conference:

Instructional Design for motivated and competent learning in a digital world

THEME

Recently several studies of educational research do not only address cognitive aspects of learning and instruction. They additionally analyze motivational aspects like interests, self-concepts, attributions etc. This holistic approach seems to be especially fruitful for analyzing computer based learning environments. The digital world often attracts learners first on a motivational level – its fun to use these tools - and only afterwards learners focus on knowledge acquisition. Hence, one main issue of our meeting is to learn more about the interdependencies of motivation and cognition in (computer-based) learning.

Despite this special focus we also invite you to submit papers or posters with a broad view on instructional design and computer based learning.

We would also like to encourage you to submit work that is still in progress. We will reserve a special category for this type of work in our program.

HOW TO SUBMIT A PAPER/POSTER

Please submit your proposal (in English language) using the submission form on the conference website by no later than **April 15th, 2010**. You will be notified of the results of the reviewing process by May 31st. Final camera-ready papers are due on June 15th. Accepted proposals will be printed in a conference booklet.

CONFERENCE SPECIALS

- Ph.D. Workshop
Before the conference starts officially, on Monday, August 30, we will have a Workshop for Ph.D. Students. They can present their project in a short presentation of about 5 to 10 minutes. The project can be from first to last stage of progress. Two or three senior researchers will chair the session and will give feedback to the juniors beforehand. There is a special submission format and a separate submission deadline (June 15th, 2010). More details on the conference website.

CONTACT US

earlisig@uni-ulm.de

- Pre-Conference event
Some of you may travel to Ulm from the SIG 2 (Comprehension of Text and Graphics) meeting in Tübingen which is just before the SIG 6/7 meeting in Ulm (from August 26 to 28, 2010, <http://www.earlisig2-2010.de>)
For all those who will arrive on Sunday, August 29, 2010, we will offer a social event:
We will meet in the afternoon for a nice walk through the city of Ulm (there you can see the highest cathedral tower of the world, the most beautiful parking garage in Germany, the most inclined hotel, the highest located university of Europe and some other superlatives). In the evening we invite you to “get together” in a traditional Swabian restaurant.
- Best student paper award
Following the tradition of the Salzburg meeting in 2008 we will announce an award for the best student paper at the conference.

FURTHER INFORMATION

You can find all information about submissions, the program, keynote speakers, accomodation and travel on the conference website:

www.uni-ulm.de/earlisig6-7-2010

The online registration form will be available from March 20th, 2010.

We're looking forward to receiving your submissions and meeting you in Ulm, Germany 2010!

Local committee of the SIG 6 & 7 conference 2010
